Congratulations on completing this section of the Phishing Analysis domain! This knowledge review is designed to test what you have learned about categorizing phishing emails depending on their objectives and content. You will be able to re-take the quiz as many times as you like, but will need a score of 70% or above to pass. It is important that you feel confident in answering these questions to ensure that you can complete tasks within the BTL1 exam and pass to become certified. If you get stuck, use the **Hint** feature!

Good luck!

KNOWLEDGE REVIEW

[Question 1/5] Put the following phishing email categories in order, with the likely most malicious first, and the least malicious last.
