Blue Team Level 1 Certification (Standard) &gt; TI6) Malware and Global Campaigns &gt; Activity) End of Section Review

**Congratulations on completing the final section of the Threat Intelligence domain!** This knowledge review is designed to test what you have learned about malware used by malicious actors, and campaigns that operate on a global scale. You will be able to re-take the quiz as many times as you like, but will need a score of 70% or above to pass. It is important that you feel confident answering these questions to ensure that you can complete tasks within the BTL1 exam and pass to become certified. If you get stuck, use the **Hint** feature!

Good luck!
