Incident Response Domain
END OF SECTION REVIEW

Congratulations on completing this section of the Incident Response domain! This knowledge review is designed to test what you have learned about the MITRE ATT&CK framework including the different stages and techniques that are included. You will be able to re-take the quiz as many times as you like, but will need a score of 70% or above to pass. It is important that you feel confident answering these questions to ensure that you can complete tasks within the BTL1 exam and pass to become certified. If you get stuck, use the **Hint** feature!

Good luck!
