COMPLETE

This lesson is dedicated to thanking everyone that has helped in some form with developing the Blue Team Level 2 training course. Together we have been able to create BTL2 as it is today – an incredible training course and certification to teach and test practical ability in defensive cyber practices.

SBT STAFF & ADVISORY BOARD

This course was created by SBT Founder and Lead Trainer, **Joshua Beaman**. Joshua is a UK-based security professional, previously working in a global security operations center (SOC) as a Security Analyst and member of the Vulnerability Management team, who now works in a CSIRT for a multi-billion pound e-commerce company.
